

G-146 Homeland Security Exercise and Evaluation Program (HSEEP)

Nov. 17-19, 2014 • 8:00am-5:00pm

This 3-day course is an intermediate-level training course that incorporates exercise guidance and best practices from the HSEEP Volumes. **Homeland Security Exercise and Evaluation Program (HSEEP)** is a capabilities and performance-based exercise program that provides a standardized methodology and terminology for exercise design, development, conduct, evaluation, and improvement planning. Class activities include creating exercise documentation, conducting exercise planning conferences and briefings, and practicing exercise evaluation. Individuals involved in exercise design, development, conduct, control, evaluation, and improvement planning are encouraged to attend. The HSEEP Toolkit will be covered in this class.

PREREQUISITE

HSEEP is an intermediate-level course and participants should come with a basic understanding of exercise design and HSEEP terminology.
