

Hazmat IQ

Above the Line Below The Line

8-Hour Course

Course Description:

The HazMatIQ First Responder Offensive system incorporates the proven “Above the line /Below the Line” size-up tool while instructing First Responders equipped with a handful of instruments, whether they can safely enter the Hot Zone to attempt a rescues. This is accomplished by teaching responders how to use and understand meters (Radiation meter, 5-gas meter and Temperature Gun) and reagent papers (pH and F papers). This equipment assures their safety when they choose to enter the hot zone to attempt a rescue.

Course Pre-Requisites:

- Current Hazardous Materials Operations – Level Training

Course Dates & Time:

Saturday June 25, 2022

0800-1700 hours
