ICS-300 Intermediate Incident Command for Expanding Incidents
3-Day Course, November 20, 21 & 22, 2024

This course is designed to provide overall incident management skills rather than tactical expertise. The course will cover the implementation of the incident management process on type 3 incidents; define a type 3 incident, and the development of an Incident Action Plan. Determining capabilities to match incident complexity will be discussed. Learn how to add appropriate ICS positions to match the complexity of the incident will be explored. The use of the Incident Management Teams will be discussed.

Mandatory Course Prerequisites. Participants must have successfully completed:
• IS0100 - Introduction to the Incident Command System
• IS0200 - Basic Incident Command System for Initial Response
• IS0700 - National Incident Management System, An Introduction
• IS0800 - National Response Framework, An Introduction
• Recommended: Experience using concepts and principles from ICS 100, ICS 200, and use of skills in a response or exercise
Course Dates & Times:
November 20, 21 & 22, 2024, 8:00AM – 5:00PM

Course Location:
Northampton County EOC, 100 Gracedale Ave., Nazareth, PA 18064
