

## Hazmat Ops Refresher - Identify Potential Hazards and Containers HMORA24-A (HMOR24-A)

### January 24, 2026

**Course description:**

Provide refresher training for first responders that respond to releases or potential releases of hazardous substances as part of the initial response for the purpose of protecting nearby persons, property, and the environment. Personnel are trained to respond in a defensive fashion to contain the release from a safe distance, to keep it from spreading, and to protect exposures. They must understand basic hazard and risk assessment, how to select and use proper personnel protective equipment, basic hazardous materials terms, basic control, containment and/or confinement operations within the capabilities of the resources and Personal Protective Equipment (PPE) available, and basic decontamination procedures and termination procedures. **Prerequisites:**

**HMOJB or HMO24**

**Instructor:**

Kevin Landis

**Course dates & times:**

Saturday, January 24, 2026, 9am-3pm

**Course location:**

Nancy Run VFC.  
3564 Easton Ave Bethlehem PA 18020

This class is **FREE** for all Northampton County Responders. For out-of-county responders, a fee may apply and will be determined by the number of students enrolled.

**Course registration:**

Attendance is limited to 30 students.
